Holy clit! We have put together one of the most incredible lineups of taut teen twat ever before seen in a single skin rag. Yessirs, JUST 18 has once again surpassed the wildest wet dreams of all you purveyors of pretty young poon! For the breast-obsessed, Talia's milkshake will make you drain your balls of every last drop and still you'll be trying to wring more out of your parched pud. And what about Veronica, our hot-as-hell cover hunny? That redhead shows off her fine little bod in such dangerously sexy poses that you may just spontaneously cumbust. Plus we've got fledgling dykelettes Kate and Angelina ruffling each other's feathers; zany Zoey power washing her puss; horny roommates Jenny, Connie, and Dupree all sharing the household's raunchy responsibilities; Simone and J.J. going all the way in a secluded spot; and lots, lots more. There are so many sweet, juicy clams packed into these pages that you won't have to dig very deep before finding one that fits your fancy. Let's make a deal—we'll keep rounding up girlies willing to spread their smooth, perfect thighs apart to show off their fresh, silky slits while you sit back, enjoy and rub a few out, OK? Cute, naughty, and oh-so willing, our chicks are always JUST 18!

## QUADRUPLE FANTASY

Dear *J18*: I have a fantasy that I'm really hoping some of the angels in your publication can help me with. I would like to see about three or four of them with very long hair sitting around in sheer pink nighties plaiting each other's long, clean shiny hair. All of them should have long straight hair of any color although visually it might be nicer if there was one blonde, one redhead and a couple brunettes of different shades of brown. The hair must be straight–this is a very important detail–or if absolutely need be perhaps it can have a little wave to it. No curly hair, it just won't work. I am sincere to all the curly haired girls out there: you are sexy, wonderful creatures but you just aren't right with what I have pictured in my head. Then once all the angels have two long, tight, perfect braids on either side of their heads they can begins to undress each other and have a pillow fight. The loser has to kiss the crotches of the others, and then there can be several photos of them all tasting each other between the legs. If you could do a shoot just like this and print it you would be doing me a very special favor, as this is what I see in my head every single time I take my dick in hand.–*Lionel in NE*

## PRECIOUS FLOWERS

Dear *JUST 18*: Not being the type of person who write letters much, especially not to magazines or anything like that–I never even call in to radio shows–I'm not quite sure how to begin or what I even want to say. But I have been so smitten with so many of the beautiful little creatures that smilingly and sweetly hold open their most precious flowers for the rest of us to gaze at and adore that I guess I just wanted to convey my sincere and heartfelt gratitude. Thank you for what you do, *JUST 18*. And thanks to all the ladies you work with.–*Butch in OH*

## UP CALLIE'S BACK ALLEY

Dear *JUST 18*: How do I express what I am feeling? I wanted to snap a Polaroid of my raging hard-on that I got as a result of flipping through your latest issue but I figured that might not be all that appropriate. Also I don't own a camera so there you have it. But I just had to jot down a few lines in praise of Callie. Those images of her getting that colossal orange dong into her asshole are going to stick with me for a long time to come. Or CUM, I guess I should say. I might just jerk my dick right off my body. I hope it doesn't happen but it might.–*Jon in NV*

## SWELL FOR ELLE

Dear *JUST 18* Magazine: Hi! How are ya? Hope you are doing fine. I myself just rubbed one out to one of the gals in your August issue and I feel great! Her name was Elle and man is she pretty! She's exactly the kind of girl I've always hoped to be with all my life. Unfortunately, things have not worked out well for me in the female department, but at least I can buy your magazine and keep the old juices flowin'! Usually I toss my porn right after I look through the whole magazine but this is one issue I think I'm going to hold on to for a while. I'm pretty certain that I'm going to want to visit Elle again, if you know what I mean. I'm sporting half a chub right now just thinking about her tiny little tits and her long red hair. Her legs looked nice and long, too. I love a girl with slim legs.–*Vince in KY*

## PUSSY MAGNET

Dear *J18*: Fuck yeaaaaah! I love hot young babes! I love teen pussy! I live for it. I like to see it, smell it, lick it, poke it with my fingers, fuck it with my dick, smell it some more, take a picture of it and put it on my fridge. I cannot get enough of awesome teen pussy, no way, no how. NEVER! So keep bringing me all that teen pussy please so I can always get my fix!–*Leonard in WA*

## SLOPPY KISSER

Dear *JUST 18*: I love vagina of all ages, colors, shapes, sizes and states of hairyness, but clean-shaven teen pussy lips are my favorite in the whole wide world to kiss. And when I kiss I like to use tongue–lots of it. The sloppiest kisses are the best kisses, that's what I always say. And although you'll never catch me refusing the regular kind of kiss from a female, I'd much rather kiss them between the legs. I like being kissed between the legs, too. It is a specialty of mine to teach young girls –of legal age, of course–how to please a man with their mouths. Most of them love my courses because I'm a very easy-going and understanding instructor. And I reward my students with stars that I trace over their clits with my tongue–*Jeremy in ID*

# EVE 2010

If I had a nickel for every pickle I've tickled, I'd have about twenty-five cents! LOL! I'm not nearly as slutty as most of the girls I know, and I'm about half as slutty as I look. That's not to say I don't like doin' it, but I guess I'm just picky about who gets access to my pussy. I get plenty of action, though, because I like to get freaky with myself in strange places—picky girls need orgasms, too. Like the other day I was giving my car a bath in my backyard, and something about the way the water squirted out of the hose totally turned me on. So I hiked up my top and peeled off my booty shorts and diddled my cunny right there in the dirt. Well, I was actually on a towel but close enough. Thank god I keep a vibrator stashed in my glove compartment! 18

# Simone & J.J.

Omg, my life is so complicated right now. I am madly in lust with this guy named J.J., but none of my friends can stand him. To avoid drama, we meet in these out of the way places to hook up. Waiting for him to arrive is always agony. I sit there with my pussy all wet, worrying that he's not going to bother to show. But he always gets there sooner or later, and to prove how glad I am I go out of my way to fuck him the best I can. I let him hump me in crazy positions, like leaning up against walls and on our sides from behind. It doesn't matter much what angle his cock sticks me since I come practically the instant he first thrusts inside. He makes my pussy feel so full. He likes to shoot his wad down my throat and I like that too. It's nice having the taste of him in my mouth when I talk to my friends on the phone.

# HOMEWORK SLAVE

"Wow, Prentiss, I didn't know you cared."

I looked up from my phone. I was texting when I should have been studying. And here was my goofy homeworkslave Albie standing over me in the campus library.

"What do you want, Albie? I mean, do you have time to talk to me? Have you finished my geology paper yet?"

"I was working on it when I got your sext."

My hair fell in my eyes. It's always falling in my eyes. I pulled it away and let out a long sigh. I think I should go bald like Britney Spears did when I was in junior high school. Maybe she had the right idea.

"What's the sigh for, Prenny?"

"Don't call me Prenny. Only guys who fuck me get to call me Prenny. You're a homework slave, Albie, not a cock slave. Now what sext could I possibly have sent you? Have you started taking drugs?"

He held out his phone. I couldn't believe it. I meant to send that shot to someone else. Someone whose cock I was a little addicted to since I met it three weeks ago in the Student Union.

Oh, I'm sorry. Cocks belong to people. I should refer to the owner and not just his penis, right? But I'm a nasty person. What other kind of person has cock slaves and homework slaves, and never the two shall meet?

Albie sat down next to me. The pool of light from the lamp on the old oak library table surrounded us. "This is a great picture, Prentiss. I've always wondered what you look like naked,

and now I know."

"I don't know why I sent you that."

"You meant to send it to that guy you've been hanging with? The one who acts like a thug? What's he got that I don't have?"

"Do you want the answer in millimeter or inches?"

"You girls are so sarcastic. Stop using Mila Kunis as a role model. I'm not a shorty. You just don't give me a chance."

"Aww, Albie is pouty."

"Maybe, just maybe, you sent me this sext for a reason?" "What reason?"

"Maybe you're curious. Maybe you wanna shift me into the cock slave column?"

"How do you know about my columns for homework slaves and cock slaves?"

"I have my sources."

Ah, you can't trust anybody these days. Loose lips sink clits. (I didn't make that up, my BFF did when we studied World War 2 senior year in high school.) Anyway, when I got to Bloomthorne College for my freshman year, I figured I would have two kinds of guy friends: ones who helped me with my homework, or homework slaves; and ones who helped me with my vagina, or cock slaves. I'm a very organized person. You should see my makeup case, for example. Or my panty drawer. I even organize my tights and pantyhose so when you open the drawer, it looks artistic and beautiful.

"My theory, Prentiss, is that you sent me this picture because you want me just as much as you want your thug."

"I can tell you have a thimble dick, Albie. I am renowned for my cock radar, Albie. I'm not going to waste my time, Albie."

He stood up. "Okay, but nobody's infallible."

"What do you mean by that?"

He began to walk away. I didn't like his tone. Made me feel like I might be missing out on something.

"Wait, Albie!" I got up and followed him. Bad move. You don't follow your homework slave. I lost status, but my pussy was feeling funny and curious and took charge.

"I want to see how far you've gotten on the geology paper," I said. "Let's go to my dorm. I have to keep tabs on you, it's ridiculous."

He turned pale, but looked happy. "Really? Go to your room?"

"Don't get any ideas just because I sent you that sext by mistake."

"I think you wanted to send it."

"Get your books and let's go."

When we got to my room, I kicked my roommate out for awhile. She's pretty wimpy herself, and a lesbian to boot. I think she's a homework slave to another girl. It's kind of a trend on campus now, for both straight and gay hotties. We all have two columns for our convenience: Column A, Homework Slaves; Column B, Cock or Vagina Slaves.

I told Albie to sit. "Gimme the paper, I want to review what you've done so far. And take out your cock."

"Just like that, the girl says!" Albie was beaming obscenely like the Cheshire Cat. He handed over the pages and unzipped.

"Sit in that chair over there and don't move a muscle."

My hair kept falling in my face. I grabbed my brush and tried to fix it but that didn't work. So I pulled on the fedora I bought last summer at the beach. I looked at the geology paper, but my mind wasn't on it. When I looked up, I saw that I'd been wrong. Albie was pretty well-endowed. As a matter of fact, he could give my thug a run for the meat.

How I could be so wrong about someone's penis?

"Still want me only as your homework slave, Prenny?"

"Don't call me Prenny, I warned you."

"Sorry, Prentiss."

"All right, I was in error," I said. "You are handsomely endowed. To make up for my being judgmental, you can stroke yourself in front of me. That's all you're getting tonight, though. You haven't quite moved out of the homework slave status."

"I'll take whatever bone you throw me."

"Don't characterize yourself as a canine, Albie. It doesn't bode well for your future success in life." I tossed his geology paper to the side and lay back on my bed. "I might as well get off too. The tensions of my vagina can be terrible. Sometimes it's very hard to get anything done."

"We're victims of our hormones, aren't we, Prentiss?"

I lifted up my shirt and began to rub my titties, while my other hand tugged my bottom down so I could get at my vagina. "Well, since you got that sext, I'm not showing anything you haven't seen before."

"I'll say!" said Albie. But his eyes were bulging like he was seeing me for the first time.

"Just, just tell me," I said,

"what would you like to do to me if I gave you permission?"

"If you made me a cock slave, you mean?"

Why did he always need extra clarification? "Yes, that's what I mean. If you were my cock slave..."

"I'd...I'd kiss you first, work my way into the situation, you know, suave. Do you like to kiss, Prenny?"

"Prentiss!!"

"I'm sorry...do you like to kiss, Prentiss?"

"Kissing's not bad." He was looking at me with laser eyes, pulling his meat. It was pretty big. I didn't know if I could as easily resist it as I thought.

"We'd kiss, and I'd rub those titties of yours, and kiss them too, and, um, suck them, and I'd rub my cock against your leg–"

"I hope you wouldn't goo on my leg. I don't like that."

"I wouldn't goo you then. I'd stay firm, just make you think about what it would be like to feel me inside, right down to my balls...see how nice my balls look, Prenny? I shaved them just the other day."

"What would you shave your balls for? You never get laid. Homework slaves never do."

"Maybe my luck is changing."

My pussy was so wet that I could see the juice on my fingers as I rubbed. I made a lot of noise, squishing down there. Oh, Albie's thing was very impressive. I was humbled. My arrogance almost denied me the opportunity to see it. I started to wonder if maybe my subconsciousness was smarter than my consciousness. Maybe I sent him the sext because I wanted to bring about this situation, seeing him jerk off in front of me and turn me on and...

"Albie, don't take this the wrong way..."

"What, Prenny?"

"Don't call me...Prenny..."

"What, Prentiss?"

"I want you to cum while I watch and then...I want you to rest up...because maybe...if I feel like it later...I'll put your penis in my mouth!"

"Oh shit Prenny!" And at the sound of my last words, he began squirting his stuff all over his jacking fist. "I wanted to wait!" He sounded like he was almost going to cry.

Wow, he came a long time. Almost as long as I did...

We lay there in our respective heaps in my room, me on my bed, he on the desk chair.

"Sorry you sent me that sext, Prentiss?" he said. I never realized how deep his voice sounded, or maybe something happens after a boy's body is flooded with testosterone.

"Like you say, Albie, I'm not infallible. Meanwhile, why don't you relocate your ass over to my bed and we'll discuss your work on my geology paper?"

"And then, Prentiss?"

"Then I think there may be the first transformation in recorded history of a Homework Slave into a Cock Slave!" 18

# KATE & ANGELINA

31475

Getting to know Angelina has made me realize that big sluts come in small sizes. She's really tiny but she seriously has got the most epic sex drive of anyone I've ever known. When I first met her she came on really strong, but that was good 'cause I'm kinda shy. I let her guide me through giving her an O and she taught me how to finger and kiss her vajay just right. Afterwards she ate me out until my toes went numb from all the curling and then when I was all relaxed she began to play with my ass. Before Angelina, I had no idea how much I like having a something inside my butthole, like a tongue or fingers or a plug or whatever. But now I'm obsessed with how wide she can stretch me open. I love it when my anus is gaping and she runs her tongue right around the rim! 18

### FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim **TURBO-D** is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

## DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

# VERONICA

Whenever anyone asks me what my hobbies are, I'm always like, "Does not wearing underwear count?" Seriously though, my ultimate favorite thing to do is masturbate. I am an expert at secretly rubbing one out in public, it's all about subtlety and friction. For instance, on the bus I arrange my purse on my lap just right so it presses against my clit every time we hit a pothole. I have to hope my O isn't so juicy that cum soaks through my skirt. But the very best orgasms are when I have myself at home because then I can really relax, spread out, and let loose. And at home I don't have to worry about making myself too wet. My shortcut to a sheet-soaker is to use toys, two at a time, one in my box and one in my bum. Dildo DP's make me cream like crazy. i8

# JENNY, CONNIE & DUPREE

Me and my bestie Connie have been roomies since graduation, along with this dorky kid named Dupree. He's cute but way too quiet, so me and C decided to mess with him. The plan was to just flash him our titties, but when he pitched a nice tent the second our nipples hit the air, that plan was scrapped for a better one. We all stripped buck naked and I sucked his stiffy. Man did his cock feel nice in my mouth! But then C saddled up to ride and I had to switch to nibbling his nuts. The sound of her getting boned made me want some too, so I got on the couch and gave Dupree access to both our slots. When he mentioned anal I was all for it. He fucked my ass first then C's, and pulled out just in time to spooge on our faces. He busts a pretty sweet nut for a nerd! 18

# TALIA

I am well aware that I'm one lucky bitch. My body is so rockin' that I always look good, even when I don't even try that hard. I have these fat, yummy, all-natural knockers that sit up high on my chest and say "ta-da!" I rarely wear a bra because I get off on watching people watch the way my girls bounce under my shirt when I walk. Plus, my ass is friggin' awesome, it's round and smooth and perfect to palm during the nasty. My ex used to leave bruises sometimes the way he'd grab my booty so hard getting it in. I ditched that guy and bought myself a vibrator and now I get to have all of the orgasms with none of the b.s. It's friggin' great! When I'm off the hook horny I can squeeze out multiples before the batteries run low. My little plastic fuckstick is fierce! 18

# TAMMY & BOBBY

I was a virgin before Bobby. His was the first junk I ever laid eyes on in real life. That fact may make it seem like I might not know much dirty stuff, but believe me—by now I know plenty. I let him smash my cherry on our second date in the backseat of his car after we went to the movies. At first I was kind of timid with his wood, I handled it like I thought I'd get a splinter or something. But I got over that pretty quick. Now I know exactly what to do and he says I suck him and fuck him like a pro. Lately he's been all about my ass and I've been trying to get into it, but so far all I can handle is the tip. I dug the taste of his cum right off the bat, though. I just love it all warm and gooey on my tongue. .

# Fran, Lara & Tommy

More than anything, I like to have fun. Life's way too short for boredom. In my opinion, the funnest thing in the world is a threeway. I'll gladly take on two guys or two girls, but my favorite combo is me plus a guy plus another girl. Specifically, I like to bump uglies with this hot couple that I met online. The dude, Tommy, always makes me cum. That kid fucks like a beast. When he's inside me and the chick, Lara, is sucking my nipples or grinding on my face it feels so good that sometimes I feel like I might so insane. Even though I consider myself straight, Lara really makes my puss puddle. Munching on her vage while Tommy rams her in the ass is so awesome. I can feel her clit throb in my mouth when she cums, her asshole clenching tight around his cock. That usually does it for Tommy, and then he sprays his nut onto our smiling faces. 18
